Dear Phil:

As per our phone conversation yesterday, the Union of American Hebrew Congregations is in support of, and endorses the proposed public statement against Hebrew Christians. As I mentioned to you, the only area in which we have a problem is on page two, the clause that states "...exclusion from burial in Jewish cemeteries...." There is much responsa on this issue; and in this kind of ad, it is gratuitous and unnecessary. Aside from that, we support your efforts, and look forward to hearing from you as to how this public statement will be used.

Kol tuv,

Rabbi Gary M. Bretton-Granatoor
