

JCRC-LI Online Community Calendar Guidelines

The JCRC-LI Online Community Calendar is an important tool to help plan and coordinate Jewish community events. Working together, we can ensure that we are all aware of important events.

Appropriate events to post on this calendar are: annual galas, community-wide events, noted speaker events or community holiday celebrations.

Events that are not appropriate to post here are: weekly classes, board meetings, sisterhood/men's club meetings or normal weekly services.

While you will be able to add your event to the calendar, it will not be visible to the public until approved by a JCRC-LI administrator.

If you have any questions please contact Robyn Berman, JCRC-LI Program Director, at 516.677.1816 or bermanr@jcrcli.org.
