## JCRC-NY Statement on the Shootings at the two New Zealand Mosques

The Jewish Community Relations Council of New York is outraged at the heinous crimes of hate that targeted the Muslim community in central Christchurch, New Zealand.

We mourn the loss of the 49 individuals who were massacred and pray for a complete recovery of at least 20 more injured while in the midst of holy prayer at the Al Noor and Linwood Mosques. We grieve with the families and pray for healing for the entire community, all innocent victims of a blatantly anti-Muslim attack.

We stand together globally to expunge hate from our societies, for this atrocious violence only underscores that an attack on one group or faith is an attack on us all.
